Criteria for Selection

Nominations are open to all male and female athletes (including GAA activities), living or deceased, **who participated in sports** while attending Withrow High School. Nominations will be considered for those who were outstanding while at Withrow and may have continued on post-Withrow to establish sports accomplishments (including GAA girls). Nominations will be considered for those who were outstanding at Withrow but did not continue on post-Withrow to establish sports accomplishments (including GAA girls). Nominations will be considered for those who were not necessarily outstanding at Withrow but did continue on post-Withrow to establish sports accomplishments (including GAA girls).

Nominees must have demonstrated good citizenship while at Withrow High School and after leaving Withrow High School. Those convicted of a crime and sentenced to a term of incarceration will not be considered for induction.

Consideration will be given to nominees who may not have graduated from Withrow High School as early years graduation records may be lost, death while at Withrow, relocation, military participation and/or other reasons. In the event of relocation the Withrow Athletic Hall of Fame Committee will ensure that the person is not in another Greater Cincinnati High School Hall of Fame which would result in WAHOF ineligibility.

All nominees must be post-Withrow for at least five (5) years.

A maximum of five (5) nominees will be inducted each year. A submitted nomination form will be valid for four (4) nomination periods. If the nominee is not inducted at the end of four (4) nomination periods a new nomination form must be submitted.
